## Policy: Fundraising

### Introduction

As a Catholic school, we at MacKillop are called to live by the Gospel values of Jesus Christ that promote and uphold the dignity of every person. As local and global citizens we are acutely aware of situations and circumstances in which the dignity of our brothers and sisters around the world is challenged. From the place of gratitude within our generous hearts, this provokes the desire to respond in a helpful way. Social action and fundraising are opportunities for our school community to show our concern for global injustice and express our faith through action.

There are four main types of fundraising that may occur:

#### 1. General Fundraising:

This is based around a Term Focus as follows:

Term 1: Caritas Australia (Project Compassion)

Term 2: St Vincent de Paul

Term 3: MacKillop Missions (Ministries of the Sisters of St Joseph)

Term 4: Local needs and Catholic Mission

#### 2. Curriculum Based Fundraising

This type of fundraising flows from specific learning outcomes associated with learning areas and units of work. Where possible, all funds raised should be for a Catholic organization. Where an equivalent Catholic organization does not exist funds may be raised with non-Catholic charities.

#### 3. Disaster Response

This type of fundraising arises in response to sudden local or global needs. When dealing situations involving fundraising for overseas needs we are required to work within the parameters outlined by the Archbishop of Melbourne.

#### 4. Other

This type of fundraising is approved at the discretion of the Principal.
