

## Repeating a Year Level Application Form

MacKillop College is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

Students attending MacKillop College should progress to the next year level with their peers. Where there is a request to consider retention (repeating a year of school), a Program Support Group (PSG) meeting must be convened to carefully consider all the available information and any additional adjustments that could be made to the student’s educational program. A collaborative approach should be taken to review the student’s needs and identify other educational options/strategies and supports that the school could offer instead of repeating a year level.

In exceptional situations, for example, due to student illness, personal family circumstances, or family relocation, schools may request that a student is granted an exemption to repeat a year level.

When considering if a student may benefit from repeating a year level, the PSG should consider the student’s best interests, including factors such as the student’s age, academic performance, aptitude, ability and development, maturity, social ability and emotional wellbeing, attitude, peer group support and dependence. Independent expert advice can be sought, if necessary, from consultants or health or allied health professionals.

Research pertaining to year-level retention (repeating) should also be considered (See MacKillop College Acceleration and Retention Policy.)

Where a close examination of the presenting factors has been conducted and the principal forms that view that year-level retention is in the student’s best interests, the completed application form should be forwarded to the regional general manager.

This application should be completed by the Program Support Group, supported by the parents/guardians/carers in consultation with relevant professionals, and provided to the principal. Where the principal determines that repeating a year of school is in the best interests of the student, this form should be submitted to the Regional General Manager. In Victoria, compulsory schooling is from 6 to 17 years. MacKillop College caters for students aged 13–18 years. Note that in a MACS school, students aged 13 years and over must be enrolled in a secondary school.		
<b>Name of school:</b>	<b>Principal:</b>	<b>Date of application:</b>
Child’s surname:		
Child’s first name:		Current year level:

## PROVIDE EVIDENCE TO SUPPORT

### BEST INTERESTS CRITERION

**In completing this application for retention of a year level, the following documentation has been considered: list relevant documentation here (e.g. academic records, psychologist report, medical report, teacher report etc.):**

**How is repeating a year of school in the best interests of this student?**

**Please provide details of the academic, social and emotional needs of the student that have been considered in making a recommendation to repeat a year of school.**

**Explain why this student will be at risk of long-term educational disadvantage if the application for retention is not approved.**

**Where relevant, please attach supporting documents such as school assessments, reports or letters from suitably qualified independent professionals, medical practitioners, educational psychologists or allied health professionals that may include observations of the student's development, language and communication, literacy, numeracy, academic, social ability and emotional maturity.**

**Please list attached evidence to support the application**

- Educational psychologist professional report
- Allied health professional report
- School assessments, reports or recommendations to support the request
