Procession of Official College Guests and  
2024 College Captains to begin the College Song:  
'Spirit of MacKillop'

## Spirit of MacKillop

Composer: Lachlan Wallace

Freedom and joy for us all.  
Forever our lives will be blessed.  
With friendships and faith in our hearts,  
MacKillop will bring out our best.

We stand as one, united together  
Beneath the shadow of St Mary's cross.  
We celebrate our life-long learning  
And dream towards the new day.

We strive for greatness in all opportunities  
Practising Josephite deeds.  
We challenge the future and show the community  
Love and diversity.

Freedom and joy for us all.  
Forever our lives will be blessed.  
With friendships and faith in our hearts,  
MacKillop will bring out our best.

Freedom and joy for us all.  
Forever our lives will be blessed.  
With friendships and faith in our hearts,  
MacKillop will bring out our best.

## Year 12 Song

Original Performer: Natasha Bedingfield

I am unwritten  
Can't read my mind, I'm undefined  
I'm just beginning  
The pen's in my hand, ending unplanned

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words  
that you cannot find  
Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins  
The rest is still unwritten, yeah

Oh, oh

I break tradition  
Sometimes my tries, are outside the lines  
yeah, yeah  
We've been conditioned to not make  
mistakes  
But I can't live that way oh, oh

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words  
that you cannot find  
Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins  
The rest is still unwritten

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words  
that you cannot find  
Reaching for something  
in the distance  
So close you can almost taste it  
Release your inhibitions

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins  
The rest is still unwritten

The rest is still unwritten

The rest is still unwritten

Yeah, yeah, yeah, yeah
