

06/06/2025

Dear Year 9 Families,

This week all Year 9 students have had the opportunity to begin their 2026 Subject Selection Program in earnest! They have undertaken:

- Subject Selection Assembly
- Received their Subject Selection Passports
- Attended an excursion at Victoria University to explore University life
- Attended a VCE Vocational Major Expo led by our own VCE VM students to explore this possible pathway
- Had a Careers Day during which they explored possible future pathways and found out how to get more information

This week is only the start of the full program MacKillop has put in place in support of your child's 2026 Subject Selections.

In order to fully support you in guiding their selections we have set up a page on our College Website called 'Subject Selection'. You can find this by clicking on the 'Learning and Teaching' tab at the top of the Homepage. In here you will find a link to the PowerPoint presentation used at the assembly and also a copy of the Subject Selection Passport the students were given (this is due for submission on July 21).

Every blessing,

Nicole Allan

Vice Principal
